

A photograph of three dogs sitting on a white metal chair outdoors. The dog on the left is a brown and white pit bull mix, the middle dog is a brown pit bull mix, and the dog on the right is a black and white pit bull mix. All three dogs are wearing red bandanas with white stars and the text 'love'em' in a heart shape. They are all smiling with their tongues out. The chair has a pink and orange polka-dot cushion. A bag of 'love'em' treats is on the chair, and several treat packets are scattered in front of the dogs. The background is a green hedge.

# Welcome to love'em sponsorship

We're delighted to be on board with you and to be a supporter of local Aussie organisations.

In this package you will find everything you need to kickstart our relationship (tip: I enjoy rom-coms and Thai food...)

Adherence to our sponsorship guidelines and even going above and beyond (as some over-enthusiastic characters like to do), will result in favourable donations to you in the future.

We can't wait to share the love'em with you!

Big THANKS to Love'em pet treats for your donation of liver treats! They proved a big hit with the dogs and dog owners at the Club's end-of-year Fun Day last Sunday!

A reminder to Club Members, our Helpers and Instructors are having a well earned break over the Festive and Summer Holidays period. We will be back next year on Sunday 4th February (full details on the Club website: <http://easternsuburbsdogtraining.org.au/.../next-training-date>).

In the meantime, we hope you enjoy the holidays, too, but don't forget to keep practising with your dog!
